You have the opportunity of nominating and electing fellow members to the various offices for 1997-1998.

Every organization needs new blood. You can influence the future of the Society by nominating one or more fresh faces (as well as some current officers if you choose) who would be faithful to the needs of the Kenton County Historical Society.

Please list your preferences for the various offices up for election. The current officers and the membership would appreciate your suggestions.

Nominations, of course, are open until the final voting at our Annual meeting on September 17.

## Letters to the Editor

Dear Editor,

I enjoyed the article on the Carnegie Library. I went there as a little girl in the 1930s. I was always in awe of the beauty of it.

Thanks for the memories.
